# SCHOOL FEES PER STUDENT

## **New Student Enrollment Fee**

**\$150 per student** (Non-Refundable)

This fee (*for new students only*) covers the cost for testing, assessment, transcript transfer, and other paperwork associated with new enrollment.

## **Returning Student Enrollment Fee**

**\$25 per student** (Non-Refundable)

This fee increases to \$50 on May 25 and \$75 on June 15.

## **Textbook Fee**

**\$225 per student** (after June 30 = \$275)

The textbook fee pays for student texts, as well as teacher editions and supplemental classroom materials. The textbook publishers give FBCS a discount for early orders. Our school passes on this discount to families who pay this fee early. **On July 1, the fee will increase to \$275.**

## **Activity Fee**

**Grade K-6 = \$150**

**Grade 7-12 = \$200**

This fee covers fine arts and athletic competition registrations, admission to all home sporting events, insurance, transportation for all field trips, art supplies and the school yearbook. Achievement testing and fine arts classes are included for elementary. The secondary student fees also include program and competition music and the use of various labs. All activity fees are due before the beginning of school. (NOTE - This fee does not cover ALL the expenses for the various field trips and special programs.)

## **Graduation Fee**

Graduation fees are charged to students in Kindergarten and the 12<sup>th</sup> grade. Because of the varying cost of graduation materials and the trend toward personalizing graduation items, these charges may fluctuate based on family and personal choices. Graduation materials will be selected during the first semester, and these fees will be added to the February school bill.

## **Enrollment During the School Year**

Registration, activity fee, book fee and first month's tuition are due before the student can attend classes. Tuition charges and activity fees may be pro-rated based on date of enrollment.

## **Finances**

Faith Baptist Christian School is a private, non-profit ministry. The school receives no state or federal funds. The income from tuition is insufficient to fully cover the cost of operating the school. Individuals are invited to contribute to the operation of the school. All donations to this ministry are tax deductible.

## **Financial Obligation**

Parents are required to read and sign the *Family Financial Agreement* form before their student can attend class. This document declares that the family assumes financial responsibilities for the entire semester of each semester the student is enrolled even though attendance may be limited. Appeals may be made to the administration for special family situations.

## **Refunds**

Students who are registered but withdraw before July 1 will have their entire book fee refunded. Students withdrawn before the start of school may have 50% of their book fees refunded.

The registration fee is non-refundable. Activity fees are refunded on a pro-rated basis.

**FBCS DESIRES THAT ALL TUITION BE PAID IN FULL BY MAY 15, 2024.**
