Parent's Pledge of Acceptance

We are attempting to meet the Biblical challenge to "train up a child in the way he should go." We trust that the Christian school will help us with specialized instruction as an extension of our training.

We desire that our child participate in the school's heritage of a conservative Christian culture. We pledge to make our home a safe haven from the harmful influences of the secular culture in which we live.

We have read the student handbook and are supportive of the guidelines as they are set forth.

In the event of a serious disciplinary issue, we promise to leave home or work to pick up our child from the school for the remainder of the school day. Disciplinary protocol will be followed according to the handbook.

We have read, and agree with, the attached Financial Responsibility statement. We agree to make our financial payments on or around the first of each month. We understand that payments received after the fifteenth of the month will be assessed a late fee. Accounts that are delinquent more than 45 days risk possible disenrollment. We will contact the school administrator if special financial arrangements need to be considered.

As parents of the applicant, we do sincerely give our pledge and support to all these items and the spirit in which they were written.
