Faith Baptist Christian School is dedicated to providing a quality, Biblical education to families in Central Illinois. This is our 41th year of operation. FBCS is a complete program, spanning preschool through all twelve academic grades.

Some families require financial assistance to maintain their children at FBCS. The money raised by the Warrior Golf Open will provide tuition relief to qualified families through our need-based assistance program.

Your registration in the Warrior Open will enable you to participate in a fun golf activity, have opportunities for prizes, bid in a silent auction and enjoy an awards lunch featuring picnic favorites.

More than \$120,000 has been raised in the past to help families with financial needs receive a quality, Christ-centered education. Thank you for your generosity and for your continued participation in our golf tournament.
